Scoring

The pot will be split into two equal “pools:”

1. "Straight" pool will be awarded based upon the highest score, earning one point for each correct winner, with 63 possible points.
2. "Progressive" pool will be scored allocating 32 points per round, resulting in 1, 2, 4, 8, 16, and 32 points for each game in rounds 1, 2, 3, 4, 5, and 6, respectively. This pool has a total potential score of 192 points.

The same entry may win both pools. Ties within a pool will split the pot – no tiebreakers. I will add 2nd and 3rd place prizes to each pool in the event we receive sufficient entries - see the rules for more information.
